**RE: Freedom of Information Act ("FOIA") Request
Canadian Radium & Uranium Corporation Site in Mt. Kisco, NY
(EPA ID# NYD987001468)**

Dear Records Access Officer:

Pursuant to the Freedom of Information Act ("FOIA") 5 U.S.C. § 552, and the U.S. Environmental Protection Agency's ("USEPA") implementing regulations, 40 C.F.R. Part 2, it is hereby requested that you make available for public inspection in an electronic format the following documents related to Canadian Radium & Uranium Site in Mt. Kisco, NY (USEPA ID# NYD987001468), including (without limitation):

- (i) any environmental or investigation reports;
- (ii) any site assessment documents;
- (iii) any decision documents (e.g. any remedial site assessment decisions, NPL listing decisions, etc.);
- (iv) any correspondence with environmental and/or technical consultants;
- (v) any correspondence with private parties and/or their counsel;
- (vi) any correspondence with government agencies or personnel, whether at the local, county, state, or federal level,
- (vii) any sampling data;
- (viii) any access agreements and/or correspondence related thereto;

- (ix) any historic information or data regarding prior response actions and/or site activities;
- (x) any administrative orders, agreements, or decrees;
- (xi) any photographs; and
- (xii) any documentation regarding the Canadian Radium and Uranium Corporation (sometimes referred to as the “International Rare Metals site” or “Pregel’s Mt. Kisco Refinery”), including (without limitation) any correspondence with that corporation or its counsel.

Please note that the Canadian Radium & Uranium facility operated on Kisco Avenue, in Mt. Kisco, NY, with an address that has variously been referred to as 69 Kisco Avenue, 95 Kisco Avenue, 103 Kisco Avenue, 105 Kisco Avenue and 107 Kisco Avenue.

For the purpose of this FOIA request, the term “documents” shall be interpreted expansively and shall mean and include, without limitation, any written, typed, recorded, transcribed, printed, taped, photographic, computer or graphic matter or materials, including without limitation, memoranda, reports, applications, requests, correspondence, communications, electronic mail messages, notes, letters, studies, statements, budgets, working papers, agendas, attendance sheets, minutes, analyses, etc. within the custody, possession or control of USEPA. USEPA’s custody, possession or control of records is expansive and includes records that may be in the possession of USEPA’s consultants, contractors or other agents working on the USEPA’s behalf.

As you know, USEPA has twenty (20) working days to respond to this request. If materials requested are deemed privileged or exempt from public inspection, please identify which records fall in that category and the reasons for exemption.

Thank you for your assistance and attention to this matter.

Very truly yours,

/s/ Allyssa T. Moody
